

Dear Friend,

The Mission of the Shroud functions on the generous donations of its supporters **only** (we receive no government funding). As a way of saying “thank you”, we wish to offer you the many beautiful recordings of the words of the Lord through audio and video recordings, to be shared all over the world.

This beautiful collection has been made especially for you. Each title has been lovingly put together to carry God’s Divine Wisdom and teachings to every living person upon earth. The Mission of the Shroud does not benefit by profits of the distribution of these titles, but offers them as a way of helping the Mission continue to grow and continue the work of the Lord, through your lives and the lives of others.

An offering is appreciated to cover the cost of production and distribution of the Lord’s gifts. The Words of the Lord were meant to be shared with all the world, freely. If you wish to make copies, please do so, but remember, ***the Spirit doesn’t want anyone to profit financially from His words.***

As such, all the messages, be it in CD, DVD or Articles are to be given freely to the whole world, rich or poor, without a price.

We know you will enjoy the many titles we have to offer to you, because they are not from us - they are from “*up above*” (*out of this world*), such a power that will touch the very center of your heart. And with this wisdom, you will know the strength of being loved and will know the power of love - to move mountains.

We thank the Almighty Creator for imparting His forever wisdom, in bringing the labours of His heart to yours.

Please visit our website at **www.missionoftheshroud.com**, which the Lord is continually updating.

Please feel free to call or write to us, any of your questions, comments or suggestions, or if you are in need of spiritual counseling or prayers. Also if you would like to come visit us here at the Mission of the Shroud in Winnipeg, we would be happy to see you.

May God bless you and we wish to kindly thank you for your support and interest in the Mission of the Shroud.

Sincerely,
The Mission of the Shroud Team,
Working for you in the field of love
